

SELECT YOUR MEMBERSHIP

The Rainier Level Social Media Program includes daily Facebook posts in five different topic areas, with content curated specifically for prospective chiropractic patients and sourced according to the strict guidelines set by the WSCA.

Posture and Alignment

Benefits of Chiropractic

General Health, Nutrition, and Wellness

Exercise, Stretching, and Pain Management

Professional and Legislative News

The Social Media Program is designed to promote active engagement from the audience, encourage direct interaction with those who need your services, and help you become a thought leader to share knowledge and grow your practice.

WSCA benefits are scalable, with three options to choose from. All members enjoy the benefits described on the reverse side, with Olympic and Rainier premium members receiving the following additional benefits.
